Our Duties

The Mortgage Girls Ltd and our advisers have duties under the Financial Markets Conduct Act 2013 relating to the way that we give advice.

We are required to:

- give priority to your interests;
- exercise care, diligence, and skill;
- meet standards of competence, knowledge and skill set by the Code of Professional Conduct for Financial Advice Services
- meet standards of ethical behaviour, conduct and client care set by the Code of Professional Conduct for Financial Advice Services.

Fees and expenses

Generally, The Mortgage Girls usually won't charge you any fees for the financial advice your adviser provides you. This is possible because, on settlement of a loan, The Mortgage Girls usually receive commission from the lender. Any exceptions to this general position are explained below.

The Mortgage Girls will invoice you with a one-off fee if the following occurs:

(a) When we don't receive commission from the lender:

- a. If you request financial advice and no commission is received from the lender, The Mortgage Girls will need to invoice you for a one-off fee for our services. Any such fee would be agreed and authorised by you in writing before your services were completed, and would be based on an estimate of the time your adviser spent providing the advice. (This may arise in the rare event that you request that The Mortgage Girls provide services in relation to either a product that is offered by a lender that we do not hold an accreditation with, or a product that is outside usual arrangements with our product providers).

(b) Where a lender 'claws back' commission it has paid to us if you refinance or pay back your loan early.

- a. Lenders apply a remuneration clawback from the adviser when a loan is not retained for a minimum period generally within 27 months. The timeframe can vary, as it is lender specific, timeframes specific to your lender will be outlined prior to submitting an application to the chosen lender. Claw backs most often apply where the loan was disclosed by the client for long term residential or investment purposes but where the borrower chose to sell the property or refinance inside the first 27 months. Where a claw back or partial claw back applies, the client will be charged directly for any shortfall in remuneration. The fee would be calculated on a rate of \$250 per hour up to a maximum of \$3,000 as a recovery cost for the Adviser's time spent providing Services to you in connection with the applicable mortgage. This fee has been calculated on an average of 12 hours of advice, negotiation and administration to complete/submit your loan application to the provider at an hourly rate of \$250.

(c) In some cases, where we put in a lot of work to a loan application and then you withdraw it.

- a. Where in good faith substantial work has been applied towards any loan application and the application has been withdrawn by the client, at the discretion of the adviser, a minimum fee of \$500 will be charged.

We will provide you with more information about any fee that applies to you, once we know more about your needs.

You will not have to pay a fee if;

- a. The Mortgage Girls was given the opportunity but was unable to obtain a subsequent finance approval.
- b. You paid and agreed to an upfront fee when the mortgage was originally drawn and The Mortgage Girls Ltd did not receive any commission. This is the case in most short-term contracts.
- c. In The Mortgage Girls opinion, the early repayment of the mortgage cancellation was caused by an exceptional change of circumstances for you.

Conflicts of interest and Commissions

Commissions and fixed rate roll over fee

On settlement of a mortgage, The Mortgage Girls Ltd usually receive commission from the applicable product provider through which we place business. The commission is generally of an upfront nature but may also include a trail commission. The amount we receive is calculated on the amount of lending settled. The Mortgage Girls also receive a fixed rate roll over fee from some product providers if we assist in refixing your loan. We will provide more specific details of these commissions once we have talked to you and understand your needs.

Bonuses

Our advisers receive a salary as an employee of The Mortgage Girls Ltd. All advisers are eligible to receive a bonus/incentive each month if a certain level of overall performance is achieved. Whether a bonus is given, and the amount of any incentive is not impacted by lower or high commissions received by lenders.

Referral arrangements

If we provide you a referral to one of the providers, we have a referral arrangement with and you decide to use their services, The Mortgage Girls Ltd will receive a referral fee from them, generally this is based on a % of the upfront commission. These details can be provided on request and will be provided in your personalised disclosure when applying for lending.

Commitments to product suppliers

We are neither contractually aligned, nor subject to business volume requirements to any one particular provider. The business is a member of the NZ Financial Services Group Limited's (NZFSG) aggregator network. As a member of this network, The Mortgage Girls can help clients get access to solutions to assist them in getting closer to their financial goals. As a member of NZFSG's network, The Mortgage Girls receive the following:

- Compliance services
- Discounted/free software for our business
- Subsidised training for our advisers

To ensure our advisers prioritise our clients' interests:

- We follow an advice process that ensures our recommendations are made appropriately, based on clients' goals and circumstances.
- We always recommend the best product for your purpose regardless of the type and amount of commission The Mortgage Girls Ltd will receive.
- We ensure the amount of any loan is in accordance with your identified needs.
- We have a well detailed client experience process that we regularly update.
- We run regular team training session 2-3 times per week to continue to educate ourselves, share experiences, knowledge and support each other to bring the best possible experience for our clients.
- We have a strong focus on the number of clients helped with their financial goals rather than the volume of lending settled.
- All our advisers undergo annual training about how to manage conflicts of interest.
- We maintain registers of conflicts of interests and the gifts (>\$500) and incentives we receive. These registers are monitored regularly, and additional training is provided as required.
- We undertake an annual independent Compliance Assurance Review by Strategi.
- Providing you with tables showing the commission rates and types by provider (including clawback periods)
